- In case of three participants selecting 7 winning horses out of 7 races then the first, second, and third place cash prize is evenly divided among all.... etc.
- If no participant manages to nominate the seven winning horses and only one contestant gets 6 winning horses out of 7 races then that contestant will receive the second-place prize (6000 AED), and if two contestants get 6 correct horses then the second and third place prize is evenly divided among them.... etc.
- In case no participant manages to nominate the 7 or 6 winning horses, and one contestant gets 5 winning horses that contestant receives the third-place prize (4000 AED) and if two contestants get 5 winning horses then the third and fourth place prize is evenly divided among them.... etc.
- In all cases if there is no 7 out of 7 winners, the

35,000 AED from the competition's prize money will be distributed to the contestants with the highest number of winners (6,5,4 or 3 winning selections)

A tricky contest to open proceedings. The pace should be very genuine with the likes of **Smart System** drawn in one so it should suit the closers. **SIKORSKY** has a string of placings to his name, and he could finally shed his maiden tag here, although he must beat the layoff. **Dukedom** should be suited by the pace while the draw has finally been kind to **Mayadeen**, so he is expected to be in the finishing pack.

The Godolphin filly **MOUNTAIN BREEZE** is clear on ratings and gets the verdict, therefore. However, she has a habit of falling short so it should not be a surprise if **Lhakpa** trumps the selection. **Octans** and **La Senora** are considered for places.

SELECTION: 1st: Horse No. (5) 2nd: Horse No. (4) 3rd: Horse No. (6)

An architectural rendering of a modern residential development. In the background, a long, multi-story white building with large glass windows and balconies is nestled among lush green trees. In the foreground, a winding blue water feature flows through a landscaped area. A blue-paved path with white dashed lines runs alongside the water, where several people are walking, jogging, and cycling. The sky is a clear, bright blue with a few birds flying in the distance.

THE VALLEY BY EMAAR

This is not the strongest of 3yo races that we have seen this season so far, so it should be straightforward for **ESTMRAR (NB)** who chased home the UAE 2000 Guineas runner-up on local debut. **Undeclared** seems to be improving with every run while **Excultation** is another who should benefit from the extra yardage.

Interesting to see **Romantic Style** in this. Her peak form gives her a shout in this, but it remains to be seen if she can turn up on her A-game. That said, preference is for **EMARAATY ANA** who was badly outpaced in last week's Blue Point Sprint but finished off with running. Off level weights, he should have something to offer. **Echo Point** is a consistent type but a stiff six over the Meydan straight might not entirely play to his strengths.

A trappy race where cases can be made for many of these. **Straight and Level** and **Khanjar** stand out on the pick of their form, but they are not very straightforward, so another chance is given to **MAGIC PETITION** who looks well-handicapped at his current mark and is drawn well. **Iles Et Ailes** cannot be discounted as he has shown good speed and should be able to take advantage of barrier two.

FIRST CONQUEST showed a devastating turn of foot in the Lord North Handicap to put things to bed, and he should only get stronger with the extra furlong. **Asaassi** has been a revelation for the yard this term and is likely to progress further now stepping in Group company. **See Hector** is seven pounds better off on weights against the selection so he could potentially make things interesting in the closing stages.

This looks like the perfect opportunity for **GUNS AND GLORY** to open his account for the season. He has found himself in deep company in the last two starts and needed his seasonal reappearance. From draw four, he should be able to dictate from the outset. **Al Mukhtar** has two-and-a-half kgs in hand from his stablemate **Valdivia** since they last met so he is taken to reverse that form.
